Index to News

A

Academy of Veterinary Allergy and Clinical Immunology
Allergists invite grant, 181

Allergy
Allergists invite grant, 181

American Animal Hospital Association
Boston site of AAHA meeting, 1539

American Association for the Accreditation of Laboratory Animal Care
Laboratory animal veterinarians laud Mulder, 1726
AAALAC appoints associate directors, 1857

American Association for Laboratory Animal Science
Laboratory animal association convenes, 994

American Association of Bovine Practitioners
With changing of the guard, AAAP marches on, 177

American Association of Equine Practitioners
AAEP holds productive convention, 848

American Association of Extension Veterinarians
Taylor named '93 Extension Veterinarian, 321

American Association of Swine Practitioners
Swine practitioners mark silver anniversary, 1719

American Association of Veterinary Immunologists
Microbiologists, immunologists cosponsor research symposium, 853

American Association of Veterinary Laboratory Diagnosticians
Veterinary diagnosticians meet, 325

American Association of Zoo Veterinarians
Zoo veterinarians meet in St Louis, 323

American Board of Veterinary Practitioners
ABVP honors founders, organizers, 18
Thirty-three certified in veterinary practice, 1313

American College of Veterinary Microbiologists
Microbiologists, immunologists cosponsor research symposium, 853

American College of Veterinary Ophthalmologists
Ophthalmologists meet, 701

American College of Veterinary Pathologists
Veterinary pathologists name diplomates, 504

American College of Veterinary Surgeons
Surgeons assemble in San Francisco, 850
Veterinary surgeons certify 63 diplomates, 1727

American College of Zoological Medicine
Two certified by ACZM, 855

American Committee on Environmental Affairs
Committee on Environmental Affairs meets, 1722

American Embryo Transfer Association
Embryo transfer association holds convention, 989

American Holistic VMA
American Holistic VMA meets, 505

Animal Welfare
Humane ethics, animal welfare chair filled, 180

Farm animals take center stage at AVMA's Animal Welfare Forum, 314
Pinckney tagged for Animal Welfare Award, 317

Antibiotics
Drug council, committee discuss practitioner concerns, 492

Aquaculture
FDA proposes seafood safety controls, 841

Aquatic Animal Medicine
Zoo veterinarians — Amand, Stoskopf — honored, 322

Association for Equine Sports Medicine
Equine sports medicine meeting held, 1857

Association of Avian Veterinarians
Avian veterinarians focus on conservation, 181

Avian Species
Avian cholera hits Chesapeake Bay, 1121

AVMA Animal Welfare Committee
Committee looks into air transportation of animals, 494

AVMA Aquaculture and Seafood Committee
New AVMA Aquaculture and Seafood committee nets promising ideas, 497

AVMA Board of Governors
Board of Governors looks at AVMA president's proposals, 498

AVMA Committee on Human-Animal Bond
Dog bite committee authorized, 494
Committee furthers human/animal bond by cooperating with other organizations, 1851
Conference proposed to explore dog-bite issues, 1853

AVMA Committee on Veterinary Technician Education and Activities
Committee accredits new veterinary technology program, 487
Veterinary technology program fails to meet requirements, loses accreditation, 1852

AVMA Congressional Fellowship Program
Veterinary education opens door to new areas for Fellows, 986

AVMA Convention
AVMA invites research posters, 185
Seven resolutions submitted for action in San Francisco, 1849

AVMA Convention Management and Program Committee
Convention Committee set for San Francisco, 496

AVMA Council on Biologic and Therapeutic Agents
Drug council, committee discuss practitioner concerns, 492

AVMA Council on Education
Education council addresses issues, 496

AVMA Council on Governmental Affairs
Council advocates for AVMA in Washington, 495

AVMA Council on Public Health and Regulatory Veterinary Medicine
Public health council: AVMA sponsors Healthy People 2000, 490

AVMA Council on Public Relations
PR Council looks into pet food labeling, 497

AVMA Council on Research
Council develops awards for canine research, 488

AVMA Council on Veterinary Service
Legal rights important, Council says, 493

AVMA Drug Advisory Committee

Drug council, committee discuss practitioner concerns, 492

AVMA Educational Commission for Foreign Veterinary Graduates

ECFVG gathers for spring meeting, 1536

AVMA Executive Board

Emergency Preparedness and Response Guide approved by Executive Board, 485

Lange to join Executive Board, 1534

AVMA Foundation

After one year of absence: Foundation funds research projects, 488

AVMA Group Health and Life Insurance Trust

How an insurance company evaluates an application for coverage, 20

State legislation affects major-medical plans for small employers, 700

AVMA House Advisory Committee

House Committee reviews, recommends, 1536

AVMA House of Delegates

Proposed Amendments to AVMA Constitution and Bylaws, 1306

Seven resolutions submitted for action in San Francisco, 1849

AVMA Judicial Council

Judicial Council addresses advertising concerns, 491

Judicial Council action bans felons from honor roll status, 1851

AVMA Meetings

Farm animals take center stage at AVMA's Animal Welfare Forum, 314

In Appreciation, 318

AVMA readership conference looks at management and PR, 697

Electronic identification leaders convene, 699

AVMA Membership Services

Save with Sprint program, 699

The launch: NOAH is here, 1119

Guide to emergency response and preparedness available, 1125

Audiovisual number changes, 1536

AVMA Milk Quality Committee

Committee offers input on mastitis guideline, 1130

AVMA Publications Division

Editor to join publications team, 19

Promotions prelude to DTP conversion of AVMA journals, 699

Graphic arts/DTP coordinator Lau joins staff, 840

Silver for the chief, 1850

AVMA Staff

30-year AVMA employee retires, 698

Promotions prelude to DTP conversion of AVMA journals, 699

Graphic arts/DTP coordinator Lau joins staff, 840

Silver for the chief, 1850

Awards

Bushe receives leadership award, 19

Pinckney tagged for Animal Welfare Award, 317

Animal Welfare nominations open for '94, 318

AVMA's Jorgensen receives awards, 320

Anderson honored by Army, 321

Taylor named '93 Extension Veterinarian, 321

AVMA's Vogel earns Legion of Merit, 322

Zoo veterinarians — Amand, Stoskopf — honored, 322

Council develops awards for canine research, 488

Courtney wins Salmon Award, 505

AAHA confers awards, 855

Stenholm receives Nathan Davis Award through AVMA nomination, 856

Fisher inducted as Lincoln Laureate, 856

Preveterinary prize honors Canadian professor, 857

Constable receives award for data program, 857

Professor honored by World Equine association, 988

AVMA presidents commended, 1304

Mark L. Morris Lifetime Achievement Award established, 1725

Peterson in new internal medicine chair, 1726

Laboratory animal veterinarians laud Mulder, 1726

Hentschl honored by MSU College of Agriculture, 1855

Consultant accorded kudos by academy, 1855

Southern California VMA honors retired educator, 1855

B

Behavior

From growl to whimper: the spectrum of canine behavior modification, 7

Biomedical Research

Animal research booklet answers probing questions, 171

Bovine Species

Genetic twinning may increase beef cattle production, 1542

Research targets bovine tuberculosis, 1725

Brucellosis

USAHA makes resolutions, 702

Eradication through buyout, 1850

California at class-free status, Texas is a step closer, 1850

C

Canine Species

From growl to whimper: the spectrum of canine behavior modification, 7

Bill would ban bills banning dog breeds, 1126

Conference proposed to explore dog-bite issues, 1853

Careers

Veterinary video highlights diversity, 839

Veterinary education opens door to new areas for Fellows, 986

Tufts graduate chosen as commissioner, 1723

Cholera, Avian

Avian cholera hits Chesapeake Bay, 1121

Communications

The launch: NOAH is here, 1119

Conference of Research Workers in Animal Disease (CRWAD)

Research conference dedicated to Haelterman, 852

Conservation

Avian veterinarians focus on conservation, 181

Continuing Education

Audiovisual number changes, 1536

D

DEA

Expediency motion filed on DEA fee increase suit, 505

DEA registration numbers — guard them well, 1848

Deaths, 21, 186, 506, 703, 858, 996, 1132, 1315, 1732, 1859

Disaster Medicine

Quake does not crack California veterinary community, 695

Spring 1994: Kansas recovered and ready to respond, 990

- Exercise disaster preparedness, 991
- Guide to emergency response and preparedness available, 1125

Diversity

- Veterinary video highlights diversity, 839

Donations

- Company donates books to veterinary schools, 18
- Industrial veterinarians donate to government/corporate center, 1730

Drug Diversion

- Beware of ketamine scam, 851

Drug Residues

- Proposal recommends additional testing for residues, 845

Drug Use

- Outdated drugs misbranded, 172
- Subcommittee studies drug use in food animals, 845
- Veterinarians plead guilty, 985
- Veterinarians sentenced in drug case, 1721
- DEA registration numbers — guard them well, 1848

Drugs

- Some OTC drugs may be reclassified, 1315

Drugs, Extra-label Use

- AVMA still fighting to legalize extra-label drug use, 839
- Verdict rendered in Iowa extra-label countersuit, 846

E

Eastern States Veterinary Association

- New president stresses growth of North American conference, 1128

Electronic Identification

- Electronic identification leaders convene, 699

Environment

- Committee on Environmental Affairs meets, 1722
- Tufts graduate chosen as commissioner, 1723

Epidemiology

- Constable receives award for data program, 857

Equine Species

- Five equine projects receive funding, 324
- Sodium bicarbonate: speed catalyst or just plain baking soda, 1300
- Equine sports medicine meeting held, 1857

Erythrocytes

- Molecular genetic test available for phosphofructokinase deficiency, 172

Escherichia coli

- Outlook from *E. coli* outbreak discouraging, 1854

Exotic Animal Medicine

- Angola's famine extends to zoo animals, St Louis veterinarian recommends closure, 1537

F

FDA

- Sundlof nominated as CVM director, 6
- Document on flexible labeling available from FDA, 326
- FDA proposes seafood safety controls, 841
- Federal actions registered, 844
- Proposal recommends additional testing for residues, 845
- Clinton budget includes USDA funding increases, 1126
- Sundlof on deck at FDA, 1126
- Some OTC drugs may be reclassified, 1315

Foreign Veterinary Graduates

- ECFVG gathers for spring meeting, 1536

Food Safety

- Irradiation: knowledge leads to support, 167
- Irradiation found to kill harmful bacteria in beef, 168
- USDA inspection system scrutinized by Congressional leader, 169
- USDA continues push for safe handling labels, 170
- Veterinary food hygienists meet at international symposium, 840
- FDA proposes seafood safety controls, 841
- Espy reviews steps taken to improve food safety in 1993, 842
- USDA emphasizes public health through liaison appointment, 842
- Turkey inspection results in correction, 1303
- Bill proposes food inspection under one agency, 1303
- World Congress on Meat and Poultry Inspection held at Texas A&M, 1304
- AMA endorses food irradiation, 1538
- Veterinarians: critical role for critical control, 1854
- Outlook from *E. coli* outbreak discouraging, 1854

G

Genetics

- Genetic twinning may increase beef cattle production, 1542

Grants

- Allergists invite grant, 181
- Disney grant helps turtle, 503
- Firm supports swine health, education programs, 993
- Veterinarians receive NIH grant, 1129

Greyhounds

- Banking on Greyhounds, 1295
- Tenth Racing Greyhound Symposium held, 1540

H

Hazard Communications

- USDA, OSHA team to improve hazard reporting, 1303

Health Care

- Use of independent contractors causes debate on health care plan, 326

Human/Animal Bond

- Benefits of pet ownership cited by Harvard, 703
- Letter: 1545
- Committee furthers human/animal bond by cooperating with other organizations, 1851
- Conference proposed to explore dog-bite issues, 1853

Humane Treatment

- Humane ethics, animal welfare chair filled, 180

I

Industrial Veterinary Medicine

- Industrial veterinarians donate to government/corporate center, 1730

Insurance

- Group Health and Life Insurance Trust: How an insurance company evaluates an application for coverage, 20
- Trust offers coverage for animal care, custody, and control, 319
- State legislation affects major-medical plans for small employers, 700
- Put a leash on lawsuits, 984
- AVMA health insurance a model for national reform, 1298
- Trust representatives — a valuable resource for AVMA members, 1724

International Veterinary Medicine

- Czech swine producers capitalize on window of opportunity, 183

Veterinary food hygienists meet at international symposium, 840
 Call for papers issued for World Congress, 995
 Focus on Mexico: a glimpse into the dairy industry, 1122
 Romanian student studies at diagnostic laboratory, 1127
 World Congress on Meat and Poultry Inspection held at Texas A&M, 1304
 US military veterinarians work in Iraq, Turkey, 1305
 Veterinary Medicine and NAFTA, 1534
 Angola's famine extends to zoo animals, St Louis veterinarian recommends closure, 1537
 Veterinarians run Boston Marathon against hunger, 1856

Irradiation

Irradiation: knowledge leads to support, 167
 Irradiation found to kill harmful bacteria in beef, 168
 AMA endorses food irradiation, 1538

L

Lawsuits

Verdict rendered in Iowa extra-label countersuit, 846

Leadership Development

AVMA leadership conference looks at management and PR, 697

Legislation

AVMA still fighting to legalize extra-label drug use, 839
 Bill would ban bills banning dog breeds, 1126
 Bill proposes food inspection under one agency, 1303
 Veterinary medicine and NAFTA, 1534

Licensing

Regional licensure by endorsement: New England boards test the waters, 311
 Veterinary medicine and NAFTA, 1534

Litigation

Expediency motion filed on DEA fee increase suit, 505
 Put a leash on lawsuits, 984
 Veterinarians plead guilty, 985
 Veterinarians sentenced in drug case, 1721

M

Management

Bill to help veterinarians regain home office deductions, 326

Metabolic Diseases

Molecular genetic test available for phosphofructokinase deficiency, 172

Military Veterinarians

Bushe receives leadership award, 19
 AVMA's Jorgensen receives awards, 320
 AVMA's Vogel earns Legion of Merit, 322
 US military veterinarians work in Iraq, Turkey, 1305

N

National Mastitis Council

Reneau becomes Mastitis Council president, 1130

National Pet Week

National Pet Week: it works, 13

Nematodes

Pamphlet addresses roundworm transmission, 1131

NOAH

NOAH launched by AVMA contract with CompuServe, 491
 The launch: NOAH is here, 1119

O

OSHA

USDA, OSHA team to improve hazard reporting, 1303

Oncology

Pennsylvania announces comparative oncology center, 182

Overpopulation, Dogs and Cats

Banking on Greyhounds, 1295

P

Pan American Congress on Veterinary Service

Panvet papers invited, 1723

Parasite Control

Screwworm laboratory to be built in Panama, 1127
 Pamphlet addresses roundworm transmission, 1131

Phosphofructokinase Deficiency

Molecular genetic test available for phosphofructokinase deficiency, 172

Porcine Species

Eradication through buyout, 1850

Poultry

Turkey inspection results in correction, 1303

Practice Management

Put a leash on lawsuits, 984
 Veterinary managers meet, 1730

Professional Liability Insurance Trust

Trust offers coverage for animal care, custody, and control, 319
 Put a leash on lawsuits, 984
 Trust representatives — a valuable resource for AVMA members, 1724

Professional Profile

Hannah's *Brief* endeavor spans quarter-century, 499

Public Health

Public health council: AVMA sponsors Healthy People 2000, 490
 USDA emphasizes public health through liaison appointment, 842
 Veterinarians: critical role for critical control, 1854

R

Rabies

Compendium of Animal Rabies Control, 1994, 173
 Taking a bite out of rabies, 479
 Letters: 1544
 New Jersey provides example for rabies control, 483

Regulatory Issues

Public health council: AVMA sponsors Healthy People 2000, 490
 Sodium bicarbonate: speed catalyst or just plain baking soda, 1300
 USDA seeks clarification of regulations, 1850

Research

Five equine projects receive funding, 324
 Veterinarians receive NIH grant, 1129
 Research targets bovine tuberculosis, 1725

S

Screwworms

Screwworm laboratory to be built in Panama, 1127

Society of Toxicology

Toxicologists organize specialty section, 703

Space Research

In orbit: Fettman reaches new heights, 14
Space station plans: live on satellite, 18

Specialties

ABVP honors founders, organizers, 18
Specialists study issues, 489

State Agencies

Howard lands state position, 505

State VMAs

In Oregon, 180
In Washington, 182
In North Dakota, 182
Ohio State alumni honored, 320
In Florida, 324
North Carolina VMA appoints director, 504
In Arizona, 847
In Hawaii, 850
In Pennsylvania, 851
In New York, 854
Spring 1994: Kansas recovered and ready to respond, 990
In Indiana, 993
In Rhode Island, 1130
In Arkansas, 1131
In Georgia, 1131
Virginia celebrates centennial, 1312
In southern California, 1314
In South Carolina, 1314
In Texas, 1541
In Michigan, 1729
In Illinois, 1731
In Louisiana, 1857
In Ohio, 1858
In Missouri, 1858
Southern California VMA honors retired educator, 1855

Student AVMA

Student AVMA holds Educational Symposium, 1728

T

Tax Matters

Bill to help veterinarians regain home office deductions, 326

Transfusion Medicine

Banking on Greyhounds, 1295

Tuberculosis

USAHA makes resolutions, 702
Research targets bovine tuberculosis, 1725

Turtles

Disney grant helps turtle, 503

U

US Air Force

US military veterinarians work in Iraq, Turkey, 1305

US Animal Health Association

USAHA makes resolutions, 702

US Army Veterinary Corps

AVMA's Jorgensen receives awards, 320
Anderson honored by Army, 321
AVMA's Vogel earns Legion of Merit, 322
US military veterinarians work in Iraq, Turkey, 1305

US Congress

USDA inspection system scrutinized by Congressional leader, 169

Stenholm receives Nathan Davis Award through AVMA nomination, 856

USDA

USDA inspection system scrutinized by Congressional leader, 169
USDA continues push for safe handling labels, 170
Espy reviews steps taken to improve food safety in 1993, 842
USDA emphasizes public health through liaison appointment, 842
Federal actions registered, 844
Clinton budget includes USDA funding increases, 1126
USDA allows German-imported ruminants, 1126
USDA, OSHA team to improve hazard reporting, 1303
Turkey inspection results in correction, 1303
USDA seeks clarification of regulations, 1850

US Public Health Service

Donovan named chief veterinary officer, 983

V

Veterinary Cancer Society

Veterinary Cancer Society meets, 325

Veterinary Colleges

Company donates books to veterinary schools, 18
Humane ethics, animal welfare chair filled, 180
Pennsylvania announces comparative oncology center, 182
Boosinger appointed, 323
Richardson appointed to new professorship, 324
Kelly assumes acting deanship, 503
Canadian dean preparing for idyllic life, 843
Preveterinary prize honors Canadian professor, 857
Education center dedicated to Dean Loew, 989
Firm supports swine health, education programs, 993
Veterinarians fill positions, 995
Companion Animal Health center opens at UC-Davis, 1128
Marler to head veterinary medicine at K-State, 1129
AVMA presidents commended, 1304
Seminars to benefit veterinary school at Penn, 1314
College appoints new administrators, 1314
Industrial veterinarians donate to government/corporate center, 1730

Veterinary Food Hygienists

Veterinary food hygienists meet at international symposium, 840

Veterinary Hospital Managers Association, Inc

Veterinary managers meet, 1730

Veterinary Orthopedic Society

Orthopedic Society meets, 1856

Veterinary Students

Romanian student studies at diagnostic laboratory, 1127

Veterinary Technician Testing Committee

Committee adds Canadian, 489

Veterinary Technicians

Veterinary technology program fails to meet requirements, loses accreditation, 1852

Videotape

Veterinary video highlights diversity, 839

W

Wildlife

Zoo veterinarians — Amand, Stoskopf — honored, 322

World Veterinary Association

Call for papers issued for World Congress, 995

Index to Subjects

A

Abortion

Hydrops amnii in a mare, 1481

Abscess

Risk factors for development of foot abscess in neonatal pigs, 1062

Abuse

Child abuse, animal abuse, and the veterinarian, 1004
Letters: 1870

Acid-base Equilibrium

Effects of storage time and temperature on ionized calcium concentration in equine blood, plasma, and serum, 1224
Effects of storage time and temperature on ionized calcium concentration in bovine and ovine blood, plasma, and serum, 1242

Actinobacillus pleuropneumoniae

Porcine pleuropneumonia, 1334

Adenoviruses

Adenovirus-associated pneumonia and hepatitis in four llamas, 424

Aggression

Dominance aggression in a dog, 350

Allergy

Food hypersensitivity to lamb in a cat, 1039

Alpacas

Orotracheal and nasotracheal intubation in llamas, 779

Amaranthus retroflexus

Amaranthus retroflexus (redroot pigweed) poisoning in cattle, 1068

Amyloidosis

Hepatic amyloidosis in two Chinese Shar Pei dogs, 1212

Anesthesia

Orotracheal and nasotracheal intubation in llamas, 779

Animal Behavior Case of the Month

Urine spraying and inappropriate defecation in a cat, 53
Dominance aggression in a dog, 350
Hypervocalization in a cat, 1751

Animal Health Industry

A retrospective on 35 years in the animal health industry, 193

Animal Welfare

Euthanasia and slaughter of livestock, 1354

Angular Limb Deformities

Effect of oxytetracycline on metacarpophalangeal and distal interphalangeal joint angles in newborn foals, 246

Antibiotics

Risk factors for development of foot abscess in neonatal pigs, 1062

Antidiuretic Hormone

Hypodipsic hypernatremia in a dog with defective osmoregulation of antidiuretic hormone, 922

Applications for Membership

136, 278, 445, 663, 802, 952, 1085, 1260, 1499, 1685, 1813, 1962

Artificial Insemination

Conception by use of postmortem epididymal semen extraction in a dog, 1639

Arteriosclerosis

Sinoatrial node arteriosclerosis in two young dogs, 751

Arthroscopy

Avulsion fracture of the origin of the extensor digitorum longus muscle in a foal, 1652
Arthroscopic removal of a fragment from an intercondylar eminence fracture of the tibia in a two-year-old horse, 1793

Aspergillus

Aspergillosis in an ostrich, 784

Auditory Tube Diverticulum

Transendoscopic contact neodymium:yttrium aluminium garnet laser treatment of tympany of the auditory tube diverticulum in two foals, 1927

AVMA Activities Summary

557

AVMA Animal Welfare Forum: The Veterinarian's Role in Farm Animal Welfare

Introduction, 363
Opening remarks, 364
A special relationship: The coevolution of human beings and domesticated animals, 365
Realities of contemporary livestock production, 369
Farm animal welfare during handling, transport, and slaughter, 372
Welfare of companion livestock: Keeping large animals as pets, 378
Practices of concern, 379
Animal welfare in Europe, 384
The veterinarian's role in farm animal welfare: Directions in production and practice, 388

Avian Species

Survival of pigeon red blood cells after transfusion into selected raptors, 427
Probable transmission of *Chlamydia psittaci* from a macaw to a cat, 1479

B

Babesia canis

Hypotensive shock syndrome associated with acute *Babesia canis* infection in a dog, 94

Bacteria

Characterization of naturally developing small intestinal bacterial overgrowth in 16 German Shepherd Dogs, 1201

Behavior

Urine spraying and inappropriate defecation in a cat, 53
Dominance aggression in a dog, 350
Equine self-mutilation syndrome: 57 cases, 1219
Hypervocalization in a cat, 1751

Behavioral Disorders

Owner complaints about canine behavior, 1953

Biotechnology

Symposium on Biotechnology — The Next Revolution in Veterinary Medicine, 1595
Preface, 1595
Biotechnology: Endless possibilities for veterinary medicine, 1597
Biotechnology and the development of diagnostic tests in veterinary medicine, 1603
Genetically engineered vaccines for animal viral diseases, 1606
Advances in parasite control through biotechnology, 1616
Biotechnology: Ethics, morality, and consumer acceptance, 1622

Blood Transfusion

Hypotensive shock syndrome associated with acute *Babesia canis* infection in a dog, 94

Bluetongue Virus

Abortion and death in pregnant bitches associated with a canine vaccine contaminated with bluetongue virus, 1762

Bone

Bilateral hind limb hypoplasia in a foal, 1924

Book Reviews

Aquaculture for Veterinarians: Fish Husbandry and Medicine, 1664
Atlas of Approaches for General Surgery of the Dog and Cat, 615
Atlas of Canine Anatomy, 1251
Atlas of Feline Anatomy for Veterinarians, 605
Clinical Radiology of the Horse, 933
Duke's Physiology of Domestic Animals, 635
ECG Manual for the Veterinary Technician, 432
Emergency Procedures for the Small Animal Veterinarian, 429
Handbook of Feline Medicine, 83
Handbook of Small Animal Oral Emergencies, 788
Herd Health. Food Animal Production Medicine. Second Edition, 1800
Instructions for Veterinary Clients: Canine and Feline Behavior Problems, 921
Large Dairy Herd Management, 1067
Limitation of Exposure to Ionizing Radiation, 1056
Miller's Anatomy of the Dog. Third Edition, 783
Pathogenesis of Bacterial Infections in Animals. Second Edition, 917
Pathology of Laboratory Rodents and Rabbits, 1478
Pharmacology for Veterinary Technicians, 1052
Principles of Laboratory Animal Science: A Contribution to the Humane Use and Care of Animals and to the Quality of Experimental Results, 1654
Rickettsial and Chlamydial Diseases of Domestic Animals, 775
Small Animal Medical Diagnosis. 2nd Edition, 619
Textbook of Small Animal Surgery. Second Edition, 1040
Textbook of Veterinary Diagnostic Radiology. 2nd Edition, 1241
The Business of Veterinary Practice, 1485
The Human-Animal Bond and Grief, 1933
The Waltham Book of Companion Animal Nutrition, 609
Transgenic Animal Technology. A Laboratory Handbook, 1804
Unconventional Agents and Unclassified Viruses. Recent Advances in Biology and Epidemiology, 767
Veterinary Clinical Parasitology, Sixth Edition, 1952
Veterinary Drug Therapy, 1937
Veterinary Zootoxicology, 755
Zoo and Wild Animal Medicine. Current Therapy 3, 943

Books Received, 266, 403, 778, 928, 1061, 1229, 1789, 1929, 1942

Bovine Somatotropin

Health management of dairy herds treated with bovine somatotropin, 116
Correction: 785
Letters: 865, 1000

Bovine Species

Biologic and epidemiologic aspects of transmissible spongiform encephalopathies, 71
An epidemiologic update of bovine spongiform encephalopathy, 71
Transmissible spongiform encephalopathies, 71
Transmission studies with transmissible mink encephalopathy and bovine spongiform encephalopathy, and a survey of mink feeding practices, 72
Experimental inoculation of cattle with US sources of scrapie, 72
The North American rendering industry perspective on animal proteins and bovine spongiform encephalopathy, 73
Regulatory concerns about bovine spongiform encephalopathy, 73

Health management of dairy herds treated with bovine somatotropin, 116

Correction: 785

Letters: 865, 1000

Clinical approach to control of bovine paratuberculosis, 208

Comparison of microbiologic culture, an enzyme-linked immunosorbent assay, and determination of somatic cell count for diagnosing *Staphylococcus aureus* mastitis in dairy cows, 255

Infertility associated with *Eperythrozoon wenyonii* infection in a bull, 261

Toxic hepatopathy and photosensitization in cattle fed moldy alfalfa hay, 264

Immune suppression challenges bovine practitioners, 341

Inflammatory response to clostridial vaccines in feedlot cattle, 415

Internal fixation of bilateral mandibular body fractures in a steer, 420

Congenital maldevelopment of the tibia in two calves, 422

Herd prevalence and geographic distribution of, and risk factors for, bovine paratuberculosis in Wisconsin, 636

Risk factors and surveillance for bovine spongiform encephalopathy in the United States, 644

Letters: 1734

Traumatic reticuloperitonitis in dairy cows, 874

Diagnosis and treatment of bacterial endocarditis in cattle, 1013

Amaranthus retroflexus (redroot pigweed) poisoning in cattle, 1068

Persistent dorsal displacement of the soft palate in two young bulls, 1071

Recent progress in treatment and control of mastitis in cattle, 1152

Effects of storage time and temperature on ionized calcium concentration in bovine and ovine blood, plasma, and serum, 1242

Severe parturient ketosis in an obese beef cow, 1665

Diagnosis of freemartinism in cattle: The need for clinical and cytogenetic evaluation, 1672

Effect of copper and iron on neutrophil function and humoral immunity of gestating beef cattle, 1796

Ultrasonographic diagnosis of urachal cyst in three calves, 1801

Milk production in cows with endotoxin-induced mastitis treated with isotonic or hypertonic sodium chloride solution, 1949

Bovine Spongiform Encephalopathy

Biologic and epidemiologic aspects of transmissible spongiform encephalopathies, 71

An epidemiologic update of bovine spongiform encephalopathy, 71

Transmissible spongiform encephalopathies, 71

Transmission studies with transmissible mink encephalopathy and bovine spongiform encephalopathy, and a survey of mink feeding practices, 72

Experimental inoculation of cattle with US sources of scrapie, 72

The North American rendering industry perspective on animal proteins and bovine spongiform encephalopathy, 73

Regulatory concerns about bovine spongiform encephalopathy, 73
Risk factors and surveillance for bovine spongiform encephalopathy in the United States, 644

Letters: 1734

Bronchoalveolar Lavage

Confirmation of a pulmonary component of multicentric lymphosarcoma with bronchoalveolar lavage in two dogs, 97

C

Calcium

Effects of storage time and temperature on ionized calcium concentration in equine blood, plasma, and serum, 1224

Effects of storage time and temperature on ionized calcium concentration in bovine and ovine blood, plasma, and serum, 1242

Campylobacter jejuni

Food and animal sources of human *Campylobacter jejuni* infection, 57

***Candida* spp**

Ocular and disseminated candidiasis in an immunosuppressed cat, 1635

Canine Species

New hope for overcoming canine inherited disease, 41
Herniated cervical disk in a dog, 49
Hypotensive shock syndrome associated with acute *Babesia canis* infection in a dog, 94
Confirmation of a pulmonary component of multicentric lymphosarcoma with bronchoalveolar lavage in two dogs, 97
Periosteal proliferation along the humerus of a dog, 211
Intralesional implant for treatment of primary oral malignant melanoma in dogs, 229
Receiver operating characteristic curve analysis of the performance of various radiographic protocols when screening dogs for pulmonary metastases, 237
Canine pyoderma, 334
Subcutaneous emphysema, pneumomediastinum, and bilateral pneumothorax in a dog, 347
Dominant aggression in a dog, 350
Primary IgG secreting plasma cell tumor in the gastrointestinal tract of a dog, 404
Postoperative complications and prognostic indicators in dogs and cats with septic peritonitis: 23 cases (1989-1992), 407
Surgical management of atypical lateral tracheal collapse in a dog, (Pub Dec 15, 1993, p. 1693)
Correction: 426
Hypoglycemic seizures attributable to hypoadrenocorticism in a dog, 526
Histologically low grade, yet biologically high-grade, fibrosarcomas of the mandible and maxilla in dogs: 25 cases (1982-1991), 610
Prognosis for treatment of adult-onset demodicosis in dogs: 34 cases (1979-1990), 616
Encephalomalacia in a dog, 723
Ventricular preexcitation in a dog, 728
Correction of mandibular nonunion and malocclusion by plate fixation and autogenous cortical bone grafts in two dogs, 744
Sinoatrial node arteriosclerosis in two young dogs, 751
^{99m}Tc-Perchnetate imaging of thyroid tumors in dogs: 29 cases (1980-1992), 756
Hypothyroidism in dogs: 66 cases (1987-1992), 761
Pericardial effusion in a dog, 879
Excision and cryosurgical ablation of severe periocular papillomatosis in a dog, 881
Malignant angioendotheliomatosis with retinal detachments in a dog, 918
Hypodipsic hypernatremia in a dog with defective osmoregulation of antidiuretic hormone, 922
Avulsion fracture of the tibia in a dog, 1017
Palatine tonsil cyst in a dog, 1041
Visceral leishmaniasis and disseminated intravascular coagulation in a dog, 1043
Use of positive-pressure ventilation in dogs and cats: 41 cases (1990-1992), 1045
Heartworm disease in dogs, 1148
Bilateral degenerative arthritis of the coxofemoral joints in a dog, 1159
Characterization of naturally developing small intestinal bacterial overgrowth in 16 German Shepherd Dogs, 1201
Serologic response of pups to the low-passage, modified-live canine parvovirus-2 component in a combination vaccine, 1207
Esophageal plasmacytoma in a dog, 1210
Hepatic amyloidosis in two Chinese Shar Pei dogs, 1212
Hepatic encephalopathy in a dog, 1349
Analysis of risk factors for gastric dilatation and dilatation-volvulus in dogs, 1465
Evaluation of subchondral lesion size in osteochondrosis of the scapulohumeral joint in dogs, 1472
Canine prostate disease, 1561

Risk factors for development of chronic superficial keratitis in dogs, 1630

Conception by use of postmortem epididymal semen extraction in a dog, 1639

Stapled typhlectomy via colotomy for treatment of cecal inversion in a dog, 1641

Abortion and death in pregnant bitches associated with a canine vaccine contaminated with bluetongue virus, 1762

Gastric dilatation-volvulus in dogs, 1742

Proliferative osteolytic lesions and fracture of the sixth lumbar vertebra in a dog, 1749

Use of transcolonic portal scintigraphy to monitor blood flow and progressive postoperative attenuation of partially ligated single extrahepatic portosystemic shunts in dogs, 1770

Use of a carbon dioxide laser for treatment of elongated soft palate in dogs, 1779

Osteomyelitis in dogs and cats, 1882

Laryngeal mass in a dog, 1891

Evaluation of mitoxantrone for the treatment of lymphoma in dogs, 1903

Source of acquisition as a risk factor for disease and death in pups, 1906

Prevalence of cystine and urate uroliths in Bulldogs and urate uroliths in Dalmatians, 1914

Terbutaline toxicosis in a dog, 1922

Owner complaints about canine behavior, 1953

Caprine Species

Hydrallantois in a caprine doe, 108

Apparent gossypol-induced toxicosis in adult dairy goats, 642

Osteomyelitis and disseminated infection caused by *Corynebacterium renale* in a goat, 934

Cardiac Disease

Echocardiography, 516

Cat-Scratch Disease

Epidemiologic observations on infection with *Rochalimaea* species among cats living in Baltimore, Md, 1775

Cecum

Stapled typhlectomy via colotomy for treatment of cecal inversion in a dog, 1641

Chemotherapy

Evaluation of mitoxantrone for the treatment of lymphoma in dogs, 1903

Chlamydia psittaci

Probable transmission of *Chlamydia psittaci* from a macaw to a cat, 1479

Chlamydiosis

Compendium of chlamydiosis (psittacosis) control, 1994, (Pub Dec 15, 1993, p. 1673)

Correction: 1492

Cholangiohepatitis

Administration of vancomycin for treatment of ascending bacterial cholangiohepatitis in a cat, 602

Chylothorax

Chylothorax associated with right-sided heart failure in 5 cats, 84

Cirrhosis

Hepatic cirrhosis and hemochromatosis in three horses, 1053

Cisplatin

Intralesional implant for treatment of primary oral malignant melanoma in dogs, 229

Clinical Case Conference

Septicemic listeriosis, thrombocytopenia, blood parasitism, and hepatopathy in a llama, 213

Canine pyoderma, 334

Hypoglycemic seizures attributable to hypoadrenocorticism in a dog, 526

Excision and cryosurgical ablation of severe periocular papillomatosis in a dog, 881
Pedunculated lipoma associated with recurrent colic in a horse, 1163

Clinical Update

Clinical approach to control of bovine paratuberculosis, 208
Canine pyoderma, 334
Echocardiography, 516
Angular limb deformities in foals, 717
Traumatic reticuloperitonitis in dairy cows, 874
Diagnosis and treatment of bacterial endocarditis in cattle, 1013
Heartworm disease in dogs, 1148
Recent progress in treatment and control of mastitis in cattle, 1152
Porcine pleuropneumonia, 1334
Canine prostate disease, 1561
Gastric dilatation-volvulus in dogs, 1742
Osteomyelitis in dogs and cats, 1882

Clostridium spp

Inflammatory response to clostridial vaccines in feedlot cattle, 415

Coagulopathy

Visceral leishmaniasis and disseminated intravascular coagulation in a dog, 1043

Colic

Gastrojejunostomy for management of acute proximal enteritis in a horse, 633
Pedunculated lipoma associated with recurrent colic in a horse, 1163

Colon

Surface oximetry for intraoperative assessment of colonic viability in horses, 1786

Colotomy

Stapled typhlectomy via colotomy for treatment of cecal inversion in a dog, 1641

Coming Meetings, 134, 275, 440, 655, 797, 948, 1082, 1255, 1494, 1679 1809, 1958

Commerce

Veterinary sales and purchases of goods and the warranties that affect them, 433

Compendium

Compendium of chlamydiosis (psittacosis) control, 1994, (Pub Dec 15, 1993, p. 1673)
Correction: 1492

Computers

Computer use in private veterinary practice, 888

Congenital Defect

Congenital maldevelopment of the tibia in two calves, 422

Conjunctivitis

Probable transmission of *Chlamydia psittaci* from a macaw to a cat, 1479

Continuing Education

Thoughts on our scientific meetings, 28
Putting "essence" into veterinary continuing education: Characteristics of the adult learner and adult learning principles, 1137
Putting "essence" into veterinary continuing education: Facilitation skills for continuing education presenters to accommodate adult learning styles, 1326
Putting "essence" into veterinary continuing education: Making a presentation session a positive learning experience for the facilitator, 1548

Copper

Effect of copper and iron on neutrophil function and humoral immunity of gestating beef cattle, 1796

Cornea

Risk factors for development of chronic superficial keratitis in dogs, 1630

Cortisol

Diagnostic testing for pituitary pars intermedia dysfunction in horses, 627

Corynebacterium renale

Osteomyelitis and disseminated infection caused by *Corynebacterium renale* in a goat, 934

Cougars

Epizootic canine rabies transmitted by coyotes in south Texas, 536

Heinz in the Tulip Bed, by Susan Collins Domeyer, 1531
Tahiti Landscape with a Horse, by Paul Gauguin, 1715
Barney, by Bianca A. Rice, 1843

Coyotes

Epizootic canine rabies transmitted by coyotes in south Texas, 536

Cryosurgery

Excision and cryosurgical ablation of severe periocular papillomatosis in a dog, 881

Current Concepts

New hope for overcoming canine inherited disease, 41
Immune suppression challenges bovine practitioners, 341
Stray voltage: Real problem or red herring?, 1341

Cyst

Palatine tonsil cyst in a dog, 1041

Cystine

Prevalence of cystine and urate uroliths in Bulldogs and urate uroliths in Dalmatians, 1914

Cytogenetics

Diagnosis of freemartinism in cattle: The need for clinical and cytogenetic evaluation, 1672

D

Demodex canis

Prognosis for treatment of adult-onset demodicosis in dogs: 34 cases (1979-1990), 616

Difficult Dermatologic Diagnosis

Sporotrichosis in a cat, 51
Congenital hereditary parakeratosis in two calves, 1567

Duodenum

Prevalence and factors associated with development of laminitis in horses with duodenitis/proximal jejunitis: 33 cases (1985-1991), 250

E

ECG of the Month

Ventricular preexcitation in a dog, 728

Echocardiography

Echocardiography (Clinical Update), 516

Editorial

Why a dues increase?, 894

Education

A survey of the teaching of ethics in veterinary education, 944

Ehrlichia canis

Clinical ehrlichiosis in a cat, 1475

Electrolytes

Hypodipsic hyponatremia in a dog with defective osmoregulation of antidiuretic hormone, 922

Endocarditis

Diagnosis and treatment of bacterial endocarditis in cattle, 1013

Endotoxin

Milk production in cows with endotoxin-induced mastitis treated with isotonic or hypertonic sodium chloride solution, 1949

Enterococcus spp

Administration of vancomycin for treatment of ascending bacterial cholangiohepatitis in a cat, 602

Enterolith

Enterolithiasis in two zebras, 430

Eperythrozoon sp

Septicemic listeriosis, thrombocytopenia, blood parasitism, and hepatopathy in a llama, 213

Eperythrozoon wenyonii

Infertility associated with *Eperythrozoon wenyonii* infection in a bull, 261
